Did you know that we offer kids tours???

Well , we do! Each child (ages 4+) will get to tour our kitchen and make their own pizza, play some fun games and leave with a culinary degree in pizza making from Selma’s University! We offer tours from 10am to 11am on most days (by reservation only). Group size must be at least 10 kids with proper supervision. Cost is \$10 (+tax) per child. It’s a fun learning experience for all! Call and speak with a manager for more details or email us here online!
